Our gassers are cast polyresin (not diecast), hand painted, with lots of period-correct details, such as lifted front ends, fenderwell headers, custom wheels, piecrust slicks and more. Scale is approx. 1:18. Most models are 8-10" long. These are static models (no moving components), fully assembled (not kits), ready to display. Limited edition models. No more are being made.

Shipping is via USPS, within 1-2 days of receipt of order and payment. Payment is via PayPal, credit card or check. If you have any questions, please contact Bruce Blackway.
